

## **AVEO Announces Proposed Offering of Common Stock**

CAMBRIDGE, Mass. -- August 16, 2018-- AVEO Pharmaceuticals, Inc. (Nasdaq: AVEO) today announced that it intends to offer and sell shares of its common stock in an underwritten public offering. The offering is subject to market conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering. All of the shares in the offering are to be sold by AVEO.

The net proceeds of the offering are expected to be used for working capital and general corporate purposes, including development and pre-commercial expenses incurred in connection with the ongoing Phase 3 clinical trial of tivozanib in the third-line treatment of patients with advanced renal cell carcinoma (“aRCC”) as well as the ongoing Phase 1b/2 clinical trial of tivozanib in combination with OPDIVO<sup>®</sup> (nivolumab).

Piper Jaffray & Co. is acting as sole manager for the offering.

The shares are being offered by AVEO pursuant to a shelf registration statement on Form S-3 that was filed with the Securities Exchange Commission (“SEC”) on November 30, 2017 and declared effective by the SEC on December 15, 2017. A preliminary prospectus supplement relating to, and describing the terms of, the offering will be filed with the SEC and will be available on the SEC’s web site at [www.sec.gov](http://www.sec.gov).

Copies of the preliminary prospectus supplement and the accompanying prospectus relating to this offering can be obtained from Piper Jaffray & Co., Attention: Prospectus Department, 800 Nicollet Mall, J12S03, Minneapolis, MN 55402, telephone: (800) 747-3924, email: [prospectus@pjc.com](mailto:prospectus@pjc.com). The final terms of the offering will be disclosed in a final prospectus supplement to be filed with the SEC.

This press release does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

### **About AVEO Pharmaceuticals, Inc.**

AVEO Pharmaceuticals, Inc. (the “Company”) is a biopharmaceutical company dedicated to advancing a broad portfolio of targeted medicines for oncology and other areas of unmet medical need. The Company’s strategy is to retain North American rights to its oncology portfolio while securing partners in development and commercialization outside of North America. The Company is seeking to develop and commercialize its lead candidate tivozanib in North America as a treatment for advanced renal cell carcinoma (“aRCC”). The Company has outlicensed tivozanib (FOTIVDA<sup>®</sup>) for oncology in Europe and other territories outside of North America. Tivozanib is approved in the European Union, as well as Norway and Iceland, for the first-line treatment of adult patients with aRCC and for adult patients who are vascular endothelial growth factor receptor

and mTOR pathway inhibitor-naïve following disease progression after one prior treatment with cytokine therapy for aRCC.
